Rewind Festival 19/07/14

Formed in 1977, Thompson Twins' Tom Bailey revisits the Thompson Twins classic hits for the 2014 Henley-on-Thames Rewind Festival. Since the Thompson Twins disbanded in 1993, Bailey admits: "This will be the first time I've sung the TT's hits in decades." Hits like "You Take Me Up", "Doctor Doctor", "Hold Me Now" and "Love On Your Side" will feature amongst his other well-known songs in a show which revisits an era of electronic pop.

Preferring to wait until the time was right to perform the Thompson Twins' hits again, Bailey says, "It's taken a long time, but now I'm looking forward to playing these songs to some of the fans who were there first time around."

This will be the first time for 27 years that Tom has performed the Thompson Twins material and is a world exclusive for Rewind. The last time was in Texas in 1987. Tickets for this event are now SOLD OUT
